Implementation Details	
Project Name	Login page
Application	Web application
Module Name	Login page
SDLC Model	
Progrming language	Java
Tool Used	VS code
Input/test data	Username , Password

Test Case Excution						
Test case id	Step no.	Test Step	Input	Expected Result	Actual Result	Status
1a	Login with valid Username & password	1. Open login page 2. Enter Name 3. Enter Password 4. Click on Submit	Click	Open login page	PASS	Open Login
1b	Login with invlid username	1. Open Page 2. Enter Invalid Name 3. Enter password 4. Click on Submit	Username Accepted	User Accepeted	PASS	Name
1c	Login with invlid password	1. Open Page 2. Enter Name 3. Enter Invalid password 4. Click on Submit	Password Accepted	Accepeted	PASS	Password
2a	Cheak UI	1. Cheak color 2.UI design	Without disign	Colorful disign	FAIL	UI
